---

Could you facilitate a meeting with Mayor Strickland related to Playback Memphis? I attended a meeting with the group in front of MPD (DD Ryall) and others in which they presented measures of their success. They would like to present to the Mayor and I suggested that you may be able to facilitate. Their work relates to the training objective in OSC-3, albeit rather indirectly.

I think that you and I should meet with Playback first.

Also, I may have Paris do some work with them when she isn't working on OSC-3 stuff. She would be especially effective because she already works with COPS in Old Allen and that's where Playback is concentrated.
